Comments:

Outstanding -Better than expected

Thought this was a great overview of services. Heard many comment on info they didn't know. Also heard many comment on the city's need to get info out better. Maybe a presentation on how info is shared -legal constraints -and suggestion period.

Overview somewhat dry -but essential information.

City Finances presentation needs to be a little more simplified..

Great bus tour.

Planning Issues could have benefited with time to talk about projects.

Please thank Cathy. There was a lot of sidebar talk on the bus.

Thank you for the day and info. Will be useful.

Nice Job. Thank you!

The day went very fast. Interesting and lively.

Very interesting. Time well spent.

Great day!
