Thank you to AT Still University and EVIT for hosting the class. Both facilities provided meals, tours and speakers! Great Day!

See attached class evaluations for details.

The class will be completing their class project for the House of Refuge on Sat Feb 14, which included a prep day Feb 5. This class has put together a wonderful project. Please see the article in the next newsletter for details and the website for photos. Truly an outstanding effort by the class!!

I have attached the draft agenda for March 7. All speakers and the photographer have confirmed. Thanks to AZ Wing CAF for hosting the class in March.

Points spreadsheet attached.

One person has missed two classes.

Several people have under 300 points which is a potential graduation concern.

Everyone has a potential of 90 points for the next two classes and class project, and taking that into consideration, 10 people are already on track for graduating without additional tours.
