Summation of the Class of 2011 recruitment Process:

- As of May 8, 2010, 28 applications for the Class of 2011 were received. No further applications were accepted.
- Two of the applicants withdrew prior to the interviews.
- Each of the applicants were interviewed by a team of 2 to 3 MLTD alumni using the same interview guidelines.
- 27 of the applicants were invited to participate in the program. Notification was made by email, followed by a formal written letter.
- Applicants who requested scholarship assistance were sent copies of the application and a letter of instructions.
- I am very pleased with the quality of the applicants for the Class of 2011.
- Since close of the application submissions, I have received 7 inquiries about the program. I am compiling a list for notification in early 2011 when recruitment for the Class of 2012 gets underway.
- Thank you cards were written to the volunteer interviewers.
- Thanks to all who contributed to a successful recruitment for the Class of 2011.
